

FISHING EQUIPMENT PROGRAM SUMMARY

Fish Florida is a non-profit organization that provides support to groups teaching people, especially children, about Florida fish, aquatic habitats and resource stewardship. This is accomplished through displays, classes, seminars, presentations, clinics, and other means designed to teach and promote responsible angling.

Fish Florida's Fishing Equipment Donation Program assists organizations who teach fishing and conservation in Florida. **It is a REQUIREMENT that your program provide angling instruction and conservation messaging to the participants.** We prioritize programs by the following:

- quality of the education program
- quality and quantity of marine conservation and stewardship components
- fishing opportunity and hands-on activities
- benefit to children and inexperienced anglers
- previous experience of your organization
- community support
- financial need
- number of participants and duration of event
- opportunity offered to underprivileged user groups

If your program is approved, you will receive one rod and reel per participant, up to 50 per one day events and 100 per multi day events, as long as we have that equipment in inventory. **Our fishing equipment supplies are limited.** If you will have over 100 participants or we are unable to give you the full number of rods and reels needed, we can provide sources for purchasing additional fishing equipment.

For an example of a kids' fishing clinic recognized by Fish Florida, see the Florida Fish and Wildlife Conservation Commission's Kids' Fishing Clinic protocol at <https://myfwc.com/media/1369/saltwaterfishcampmanual.pdf>.

Contact Fish Florida if you are uncertain whether your event qualifies, if you have questions about the program or if you have problems completing the application form. After receiving your application, we will review it for completeness, the *Fish Florida* Board of Directors will vote on it and we will notify you as outlined below. **Incomplete or late applications will not be accepted.**
